

GROUP DISCUSSION COMPETITION

Event Details: -

RULES AND REGULATIONS

- **Activity Format:** This is a structured group discussion activity designed to assess participants' communication and critical thinking skills.
- **Participation Structure:** While a group activity, individual participants will be evaluated on their own contributions.
- **College Representation:** Each participating college can send a maximum of two (2) students to represent them.
- **Session Duration:** The group discussion session will be conducted for a duration of 15 minutes.
- **Objective:** The primary goal is to evaluate participants' ability to think creatively and express unique perspectives.
- **Topic Announcement:** The topic for the group discussion will be revealed to participants on the spot, immediately before the session begins.
- **Evaluation Criteria:**
 - Participants will be assessed based on:
 - Clarity and effectiveness of their communication.
 - Originality and depth of their ideas.
 - Active listening and respectful interaction with others.
 - Analytical and critical reasoning abilities.
 - Constructive contributions that advance the discussion.
- **Conduct Guidelines:**
 - Participants are expected to maintain a professional and courteous demeanor throughout the session.
 - Any disruptive or disrespectful behavior will result in penalties.
 - The decisions of the judging panel are final and binding.
